RE. East Slope Water Co.
Finance Application
Docket # W-01906A-10-0183

East Slope water Co doesn't need to borrow \$3,000,000.00 to improve its Co. East Slope has been collecting seven dollars a month for nearly two years as a new charge to improve the Co. we haven't seen any improvements.

Rate increases should be based on the cost of living increases that have been 0 for the last two years. The only reason East Slope Water Co. wants to increase 3,000,000.00 in long term debt is to claim it as an investment and try to use it for a reason to ask for higher water rates.

Sincerely your

William L. Pepper
Retired Senior Citizen on Fixed Income.
